

## **ACI Financial, Inc.**

ACI Financial, Inc. (established 1979) offers *customized lease/financing programs* for the established, expanding or relocating business throughout the US Commercial and Municipal Accounts.

ACI's *100% lease/financing* on manufacturing equipment, software and installation/training allows the ability to begin implementing your capital equipment needs with minimal out of pocket costs.

ACI's lease/financing services provide:

- ✓ *Improved cash flow*
- ✓ *Liquidity preservation*
- ✓ *Increased productivity*
- ✓ *Immediate return on investment*
- ✓ *Fixed variable term financing*

Our staff has many years of experience in the lease/finance and equipment sales process and as a result our knowledge is passed along to you in the form of providing the best support possible.

ACI Financial will consider leasing/financing any type of equipment used in a commercial environment.
